SENATOR LUEDTKE: Mr. President, I so move that we return LB 585 for a specific amendment which is on your desks which is the one I mentioned yesterday. It clarifies the wording when a county judge would appoint appraisers in probate matters and this will clarify the wording and make it very clear that either the county judge or the associate county judge, as they do in most cases, make the appraisal, and then when other competent persons are appointed, it shall be the licensed real estate appraiser as was in the Duis amendment.

PRESIDENT: Any further discussion? The question is, shall LB 585 be returned for this specific amendment? Record your vote. Please vote. Record.

CLERK: 29 ayes on motion to return.

PRESIDENT: Senator Luedtke.

SENATOR LUEDTKE: I now move the adoption, Mr. President, now that it is returned, I move the adoption of the amendment which is on your desks, amendment to LB 585, which is on your desk. I don't believe there is any further explanation necessary. I explained it yesterday and today in moving it back. Unless there is some questions, Mr. President, I move the adoption of the amendment.

PRESIDENT: Any discussion. The question is the adoption of the specific amendment. Record your vote. Record.

CLERK: 26 ayes, to adopt the specific amendment.

PRESIDENT: The amendments are adopted. Senator Luedtke, would you move to advance?

SENATOR LUEDTKE: I move to advance the bill to E & R for engrossment.

PRESIDENT: You have heard the motion. All in favor say aye. Contrary say nay. The bill is advanced. The Chair recognizes Senator F. Clark.

SENATOR CLARK: I hope that is a private joke. What I have here, I have revenue projections for 1975-1976, also for 1976-1977. I would like to pass them out to all the members. These were just completed last night. I also have a report on the availability of the capital construction fund for the State of Nebraska for the next four years, and I would also like to pass that out. So I just want you to know what you are going to get when the pages pass them out.

PRESIDENT: Is there an objection? Seeing none, Senator Clark, your request is granted by this honorable body, that is, unless Senator Syas or Frank Lewis have some objection. Is it signed, Senator Clark? LR 119.

CLERK: Mr. President, LR 119. It is found on page 567 of the Legislative Journal. Introduced by Senator Mills of the 44th District. Read resolution.
